4. The Mare Owner certifies that the Designated Veterinarian practices reproduction as a regular part of his/her practice and is available for palpation, cultures, A.I., and other necessary procedures, and has consented to oversee the breeding of Said Mare on a regular basis. Mare Owner understands the Veterinarian's credentials, as stated above, must be approved by the Stallion Owner and that this Designated Veterinarian agrees to the following conditions:
- a) Will examine Mare within 45 days prior to semen shipment and certify in writing that the Mare is free of infection and is in good breeding condition.
 - b) The provisions of a) and b) must be repeated for any Mare failing to settle within two cycles after shipment of semen has commenced.
 - c) Will examine Said Mare for pregnancy 14-18 days after the last insemination and mail/fax results to the Stallion Owner.
 - d) Failure to conform to the above will nullify all guarantees and no further semen will be shipped.

I, _____, the undersigned, agree to the aforementioned stipulations. Also, I release the University of Vermont Morgan Horse Farm at its employees/associates and the State of Vermont from any liabilities relative to any animal(s) that have been entered under these terms.
